Subject: RE: Parcel collection today

Hi s 47

Fern did say in the telephone call she know of one *that could be in the office*, however when the email came as per the below from Fern advised they were all returned.

I confirm that none of the parcels were brought back to the Town Hall – they were all placed together in the room at North Melbourne from which they were collected.

I will advised Alex from One Nation that three express haven't been returned.

Alex from One Nation knows AP have done everything possible to deliver the articles and return the articles and I am sure he will not blame AP for the missing 3 articles.

As there is a 3rd party involved we will have to leave it in One Nation's hands to take any action they wish to undertake.

s 47 has scanned all the express to be returned, Alex will know which unit numbers that haven't been returned.

Do you give permission for s 47 to send the articles back.

Kind regards,

s 47

Hi s 47

Further to your phone call this afternoon regarding the collection of the parcels from North Melbourne in which you indicated that 3 of the parcels were missing, I confirm that none of the parcels were brought back to the Town Hall – they were all placed together in the room at North Melbourne from which they were collected.

Kind regards
